

Serving the Seamless Gutter Industry Since 1972

5 Reasons to Buy From Senox

QUALITY PRODUCTS AND MANUFACTURING

1 At Senox quality matters. Our central manufacturing facility has only state-of-the-art equipment. Our relentless attention to quality control insures that you always get excellent shape and seams. The elbows are made straight with proper angles and crimps. Our superior packaging insures your products arrive at the job mar-free and ready to pass inspection by the most demanding homeowner. Our coil products are from prime quality aluminum and have paint finishes applied by nationally recognized, professional coil coaters. No secondary aluminum or second-string paint lines.

30 MINUTE OR LESS MATERIALS PICK UP

2 Place your order by fax or phone and it will be ready for pickup in only 30 minutes. Walk-ins are also welcome. If you prefer your order can be delivered to your shop or job site. We will have it there in 4 hours or less.

SALES AND MARKETING TOOLS

3 Senox supports our customers with sales and marketing tools, product samples and material specifications. These materials help our customers educate homeowners and builders about the benefits rain gutters provide the home.

DEPENDABLE GUTTER MACHINE SERVICE

4 Need a new gutter machine? We carry a full line of gutter machines in stock. We sell, service, and take gutter machine trade-ins. We are a master distributor of the Barracuda and KWM's Ironman. Senox has a full time machine service department with highly trained machine service technicians on staff. We can handle anything from a minor adjustment to a complete overhaul. Can't make it to Austin? Not a problem, we are mobile. Once a month your local Senox branch hosts a machine service clinic. Adjustments are free to regular buying customers.

WE KNOW GUTTERS

5 From the customer service representatives to your local branch staff, we know the seamless gutter industry inside and out. You can expect accurate orders and correct invoices when you buy from Senox.
